GOD'S BLESSINGS

It is wonderful to know that our Lord, who left Heaven and its glories for you and me, knew the limitations of the material. He had no home to call his own. He borrowed a boat in which to rest and a boat from which to preach. With this in mind, let us consider a few things He gives us.

In Ephesians 1:3 we read: "Blessed be the God and Father of our Lord Jesus Christ, who hath blessed us with all spiritual blessings in Heavenly places in Christ."

"He Christ!" What a wonder! The world looks at jewels and wealth and marvels, but in salvation we have the wonder of wonders. The Lord Jesus so loved us that He gave Himself a ransom that through faith in Him (Romans 6:23), we have eternal life. A little girl reading this Scripture in the Bible read: "He that believeth hath eternal life."

There was a mistake in reading but not a mistake in actuality. The Lord Jesus lives within and gives many blessings along the way. He has clothed us with "His righteousness"

and makes us sit in "Heavenly places."

On of these "internal" blessings is the peace that is within our hearts. He said, "My peace I give unto you" (John 14:27). All can be stress, strain and tensions without, but we can have that ease of mind and heart that we are His, and He is ours. The person who is continually thinking of material possessions has never known this blessing that "internal" blessing is the opportunity of working with Him - being co-workers with Christ. He owns the cattle on a thousand hills. He who said, "I am the Way, the Truth and the Life." He who sits at the right hand of God the Father. He is the one who permits us to use our time, our talent, and His titles to proclaim the "good news" and to be workers with Him.

Add to these two the "internal" blessing of the joy of being able to walk and talk with Him. He has told us (James 1:5) that if any of us lack wisdom, we are to ask of Him. He

will impart the proper answer. Sometimes He says yes, sometimes no, and sometimes - wait. You see, He knows what is good for us. What are often our disappointments are His appointments. He is all-knowing, all-powerful and always present with every Christian. He will impart His will to us, and furnish the power to do that will.

Yes, as Christians, we are members of His household, children of God, members of the body of Christ, indwelt by God Himself in the person of the Holy Ghost. We are rich, aren't we? The songwriter says, "A child of the King, with Jesus my Savior, I'm a child of the King."

Perhaps one thought out to impress us. It is not how much we have, but what we do with what we have that counts. Let's enjoy our "internal" blessings.

Methodism In America Is 200 Years Old

The Methodist Church this year celebrates its 200th year of Methodism in America, and Methodists throughout the country are highlighting its history.

In an article in the February 3 issue of *The United Methodist Christian Advocate*, Dr. Barbara S. Roundtree reiterates the very beginning of Methodism by its founder, John Wesley.

When John Wesley was 17 years old, he entered Oxford University. He studied there for several years before his younger brother Charles arrived to enroll as a student. Both young men were serious students who believed in a methodical way of

life. When John was ordained a minister of the Church of England, he told Charles, "Leisure and I have taken leave of one another, and I propose to be busy as long as I live."

Each day John got up at four o'clock and wrote in his diaries and journals before beginning his duties. He spent a special time each morning with God for prayer and devotion.

When some friends joined Charles and John to study and worship together, other students nicknamed them the "Holy Club." As John taught the group, his methodical ways of study and work, they soon came to be called "Methodists." The name "Methodists" was a joke to those students not as serious as John and Charles.

A Federal Grand Jury has indicted five persons in connection with the July 19, 1983, robbery of the Coffee County Bank of Kinston and the December 30, 1983, robbery of the South Date branch of the Bank of Ozark.

U.S. Attorney John C. Bell of Montgomery announced the indictments last week by the grand jury

that serves the middle district of Alabama.

Charged with bank robbery in two four-count indictments were John Henry Mayberry Jr., Lawrence Monroe Moss, Robert Eugene Pardue and Donnell Morris, while Thorton Tyron Price-Williams Jr. was charged with aiding and abetting in each of the robberies.

Attorney James E. Wilson.

Mayberry, Pardue, Morris and Price-Williams are in custody, while Moss is still at large and considered extremely dangerous.

If convicted, each defendant could be sentenced to imprisonment of up to 25 years and fined up to \$10,000 in each case.

Unemployment Rate Up In County

The Alabama State Employment Service has released its unemployment data report for December 1983 and while the report shows the rate is up in Coffee County, it is still far below the rate of December, 1982.

According to figures released last week, out of the county's civilian labor force of 20,660, 2,110 are unemployed, or 10.2%. This figure is up from November's rate of 9.5%, but well below the unemployment rate of 13.1% listed in December, 1982.

Following are county statistics in this area and the statewide average:

County	Labor Force	Unemployment	Dec. 1983	Dec. 1982	Nov. 1983
Butler	9,900	1,280	12.9	22.5	14.5
Coffee	20,660	2,110	10.2	13.1	9.5
Concho	7,060	1,060	15.0	14.3	13.2

Rabies In Pets All But Wiped Out

Rabies remains prevalent in the wild animal population of Alabama, but efforts to protect domestic animals by vaccination have resulted in a reduction of rabies in dogs and cats.

All Alabama counties have designated rabies inspectors who conduct rabies clinics for the public. The State Committee of Public Health recently approved a \$1 increase in the fee rabies inspectors may charge for administering the vaccine during these public clinics, which brings the cost to \$6 per animal. Dogs and cats three months old must be vaccinated annually for rabies by Alabama law.

Rabies in dogs has decreased over the past decade. Only two dogs were found to have laboratory confirmed rabies in the state during 1983; however, there has been a national increase in rabies among cats. One case of rabies was found in a cat in Alabama during January 1984.

"Any mammal is capable of transmitting rabies," said Bill Knight, director of the Division of Toxic Substances and Zoonotic Diseases of the Alabama Department of Public Health. "Rabies in Alabama most often is found in three different species: raccoons, bats and skunks."

Rabies has, for many years, been endemic in certain wild animals in

different parts of the state. Rabid skunks are most often found in northwest Alabama, while raccoons commonly are found to be rabid in southeast Alabama. A Central Alabama tends to have more rabid bats. Rabies also was confirmed in one cow and one fox during 1983 in the state.

Anyone desiring more information about rabies may contact the local county health department.

Following are confirmed rabies cases in area counties:

Coffee - one bat, four raccoons
Concho - one raccoon
Covington - one bat, four raccoons
Crenshaw - one cow, one dog, two raccoons
Dale - seven raccoons
Geneva - one fox, three raccoons, one skunk
Houston - two bats, six raccoons
Pike - one raccoon
STATE TOTALS - 30 bats, one cow, two dogs, one fox, 42 raccoons, nine skunks.

Burgess Seeks Change Of Venue

Walter Burgess, a former Alabama state trooper charged with murder in the November 30, 1983,

shooting death of an Enterprise nurse, filed a motion last week seeking a change of venue for his trial.

The motion, filed by Burgess' attorneys Warren Brown and Joe Sawyer, contends the site of the trial should be moved due to "pre-trial publicity," and states "an impartial trial cannot be held within Coffee County."

The attorneys said publicity in each of the local newspapers served to arouse and enflame public opinion "against their client."

In another motion, the attorneys asked for a psychiatric expert to be selected by the defense at state expense. The evaluation would be used to prepare a defense case in support of his plea of not guilty by reason of insanity.

Burgess, originally considered to be indigent, has since been decided to have sufficient finances to employ legal counsel and employed Rowe and Sawyer as defense.

Elba Man Charged In Hit & Run Accident

A former Elba Work Release inmate released two weeks ago by the State Board of Corrections was arrested over the weekend and charged with leaving the scene of an accident, driving under the influence and driving with a suspended license following a hit-and-run accident.

According to Elba Police Chief John Ed White, Floyd George, age 30, was involved in an accident on

Monday night, February 19, at 7:30 and failed to stop. The accident occurred when a flatbed truck driven by George hit a car driven by Ivey Daughtry, causing minor damage to both vehicles.

George was arrested at a washateria approximately 15 minutes following the accident and was placed in the Coffee County Jail.

BRAINSTORMS

With Ferrin Cox

The Alabama legislature is faced with two proposals to create new police forces in Alabama. The proposals call for officers to do specific work, but spell out that the officers will have arrest powers throughout the state. One is under the direction supervision of the House and Senate clerks, while the other will work for Bill Rosten, the man who approves all the state and federal grants in Alabama. One is "needed" to give security to the lawmakers, while the other is "needed" to collect grant funds that had been overpaid. We haven't asked a single person for the real reason of these little armies, but we don't think for one minute that it is the reasons named above. The whole idea frightens us. What we suggest if there is a need for additional security or collection officer, is for the legislature to appropriate tax money to the existing law enforcement agencies with instructions on doing the jobs that need doing.

The Chamber-of-Commerce-sponsored Pea River Bass Tournament has been scheduled again this year and the prize money is higher. We understand that Red Holland will be back also. Something we really like is the announced policy that all live fish weighed in will be returned to the river. We are greatly overfishing the capacity of our lakes and rivers throughout the South, and only with actions such as this will we be able to continue enjoying the fish success we now have. Without such action we will see the size and number of fish drop in the next ten years even more than it has in the past twenty/thirty years.

Last week we advertised some appliances for Murphree Furniture Company at what shook Boyd Murphree a bit. He sometimes comments that it is hard to make a profit, but when we drop \$300 from the price of an item selling for less than \$400, he indicates there just ain't enough to pay the bills. We corrected the error this week, so you can now read the correct prices on those Hotpoint washers.

March 13 is election day in Alabama even though we haven't had a whole lot of folks indicating they knew it was coming about. In fact we doubt many people are even aware of the Presidential Primary being held. All we will be doing is electing delegates to conventions to select the candidates for the respective parties; but it is part of the process. We used to do this during our Democratic primaries in May, but since we don't have those any more we are voting in March. Get excited - and go vote!

Robert Miller, captain of the Elba Fire Department, was hurt recently when the chimney from a burning house fell on him. The injuries however were not as serious as first thought when they were dragging him from the fire. He doesn't remember it now, but aside from moaning about his hurt foot, head and little finger, Robert told this writer he didn't want his picture on the front page. He was safe however because we happened up on the fire while passing through the area and were standing by when the fire trucks arrived, but didn't think a camera was necessary. Robert missed his chance to be in a dramatic picture and I missed my chance to win a Pulitzer prize, but we will both survive. Those prizes don't convert into cash at the grocery store, and Miss Ann is satisfied that Robert just had to walk around on crutches a few days after getting out of the hospital. She probably wouldn't consent to a rerun.

We commented last week about the battle to put an isolation amendment on the ballot. Governor Wallace and Secretary of State Don Siegelman, Well Wallace is winning, even though the ballots have been printed. Wallace didn't send out the amendment to newspapers in the 67 counties for advertising the required four weeks, and this means it ain't legal to vote on the matter. Sorry Don, but the man with the biggest stick clears the widest path.

Mary Holley To Head Cystic Fibrosis Drive

Mrs. Mary Holley has been selected to lead local residents in organizing a bike-a-thon in Elba to benefit the Cystic Fibrosis Foundation.

The bike-a-thon is planned for May 5 on the courthouse square, and Mrs. Holley asks the people of Elba to join in the fight against this serious lung-damaging disease.

The disease is incurable and at present fatal in every case. One in 20 Americans and one in every 1600 Americans is an unknowing carrier of the defective gene that causes it.

When a child is born with Cystic Fibrosis, chances are it will not be detected immediately. Often called "the great masquerader," Cystic Fibrosis mimics other lung and digestive problems, and as many as 40 to 50 percent of the individuals with the disease is not diagnosed properly.

The goal of the Alabama chapter is to improve the quality of life for Cystic Fibrosis patients. Funds will also be used to support research programs and medical care to lengthen the lives of all lung-damaged children through over 120 centers in the United States.

Contact Mary at 897-5181 and offer your assistance in this effort.

Heinz Company Donates Support To Children's Hospital

The H.J. Heinz Company will now make a cents donation to The Children's Hospital of Alabama for each Heinz baby food label submitted by supporters of Children's Hospital.

Last year Heinz invited coupon collectors in exchange for a 3 cents contribution, and that campaign was so successful the decision was made to double the offer in 1984.

Labels from all types of Heinz baby foods, cereals and juices will be honored, and there is no limit as to the number that may be submitted.

The Auxiliary of The Children's

Hospital of Alabama will be receiving and processing the labels. The front portion of each label should be mailed to: Heinz Baby Food Children's Hospital Fund, Auxiliary of The Children's Hospital of Alabama, 1600 7th Avenue South, Birmingham, AL 35233.

The Children's Hospital of Alabama, the state's only hospital specializing in the care of children and young people, treats 100,000 of Alabama's youngsters each year.

Results of the Heinz baby food label campaign will be announced during the Children's Miracle Network Telethon on June 2-3, 1984.

Dr. Mac Porter, vice-president of the University of Alabama, was guest speaker at the Elba Rotary Club recently, as guest of Rotarian Charles Hayes. Porter talked to the group about the commitment of the University to working with industry to solve the problems faced in this competitive and changing world.

He showed a slide presentation on the cooperative program of the University of Alabama and General Motors, whereby students and professors from the school associated cost-saving methods and saved half a million dollars a year on the operations, thus saving the plant from closing. He reported that as the direct result of this and continuing work, General Motors was planning to not only maintain the plant in Alabama, but was working to expand the facility and hire more workers.

Porter said this cooperative project had been so successful that others have been launched and nationwide publicity had resulted in requests from other companies asking for help if they open a plant in Alabama. He also said the knowledge acquired on the projects would be available to other industries throughout the state.

HARD TO WAIT

Typically American, I shift from one foot to the other, as I stand impatiently in any kind of line that has any length to it. Oh, how I hate to wait! I want the fastest service at the gas station when I drive up. I want the mechanic to fix my car in an hour or less, regardless of how much he needs to do to it. I want the waiters at the steakhouse to bring my food regardless of how many are ahead of me. I want the person driving the car ahead of me at the red light to move on when the light turns green, even though I may not be going anywhere really.

You see, one of the hardest jobs we have in life is just "waiting" on somebody else, on God, on something to happen.

Most cultures aren't so demanding, but mine is. I've been brought up that way. And I know that I am not speaking for myself alone. Face it - WE ALL HATE TO WAIT!

While attending Foreign Mission Conference at Ridgecrest, North Carolina, years ago, I looked at those

missionaries, many of whom had been in this service 35 or 40 years or longer, and I saw how patient, wise, understanding and lovely many of them were. My aspiration was to be like them one day. In the back of my mind, I thought perhaps if I prayed hard enough, one day I would awaken and all those coveted characteristics would be mine. In other words, I didn't want to wait - I wanted to be spiritual right then and now.

It is apparent that as Americans our unending impatience with the ordinary things of life spills over into our spiritual lives. We have been reared on "instant stuff" and we want "instant spirituality!"

We want to "put in our time" Sunday mornings and Sunday evenings (if we on TV schedule allows), we want a quick chapter from the Bible, a 15-minute sermon, a "God bless" prayer, and then we expect showers of God's blessings to fall on us!

What happens when God doesn't answer our prayers immediately and the showers of blessings do not

Bible Verse

For by grace are ye saved through faith; and that not of works, lest any man should boast. Eph. 2:8-9

come? I'm afraid our faith begins to be shaky and we may become a bit peeved with God.

But wait a moment! If we would read through the Psalms, we would discover an astonishing truth. God is in no hurry! Listen to this: "I wait for the Lord, my soul doth wait, and in His word do I hope. My soul waiteth for the Lord more than they that watch for the morning." (Ps. 130:5-6a). "Wait on the Lord; be of good courage, and He shall strengthen thine heart; wait, I say, on the Lord." (Ps. 27:14).

In Isaiah's prophecy, chapter 40, verse 31, God says, "But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint."

This is God's recipe for living above the troubles of this world now. Remember, we are in "heavenly places in Christ Jesus." What our world needs is more "eagle" Christians.

Friendship To Have

Sunday Singings

Beginning in March, the Friendship Holiness Church, Friendship Community, will have a service of Gospel singing each Sunday evening. All services will begin at six o'clock, and a different group will minister each Sunday evening.

"The people of the church have felt led of the Lord to change the course of their evening services," said Rev. Charles Dyess, pastor of the church, "and we welcome each and everyone to come out and enjoy this time of worship and praise to our Lord."

Taylor Hill Baptist

To Have Revival

Taylor Hill Baptist Church will have revival February 26 through March 4, with services to begin at 7 o'clock nightly.

A different minister will speak each night, with the Leon Addison Family of Goodman Assembly of God conducting the services on March 2. The church is located on Highway 84 West. Everyone is invited.

We Love God And Our Neighbors

BY: FOYLE GUY

We, the Church of God, say we LOVE our neighbors - and mean it. We love the people of all races and want to be good Samaritans in any way we can, both spiritually and in all ways. This goes for our pastor, who preaches the Word of God with the help of the Holy Spirit.

The pastor is your friend, and my friend, and he loves us all and will do what he can for all of us.

We are a church that is led by the Holy Spirit as we sing in the Spirit. We show our love for God by the way we act in church, at home or wherever we go.

We welcome all to our church and to the altar if you desire. "All have sinned and come short of the Glory of God," but you can live without sin if you desire, and we welcome ALL with open arms. "If the Son (Jesus) makes you free, ye shall be free indeed." We cannot take up our Lord and no one should be without the Love of God.

We give our testimony as we desire, from our heart. We make mistakes, but the Lord forgives us, and we all do the best we can. We are ready to do whatever we can for you, pray for you and with you.

Christ sends us into the world to bring "whoever will" come to Christ. We are your friends, as the Lord is your Friend. If you will confess your sins before men, Jesus will confess you to His Father and your Father, the Holy One.

God gives us the privilege and responsibility to take the Gospel of Christ to our lost world. Take up your cross and follow the Lord. We believe the Word of God. The Lord is our strength and power to serve You with all our heart.

"We are thine, oh Lord, and use us for your Glory. Give us the strength and power to serve You with all our heart."

"God so loved us that He gave His Son to die for us!"

IN HIM WAS LIFE AND THE LIFE WAS THE LIGHT OF MEN.

Donkey Basketball Game Planned

There will be a Donkey Basketball game at Zion Chapel March 2, at 7:30 p.m. It is sponsored by the Zion Chapel Band Boosters to raise money for payments on air conditioners in the band room. The teams will consist of two old timer teams from Enterprise and Zion Chapel.

The donkeys will be provided by Thurston Hamrich Professional Animal Frolics from Bowling Springs, North Carolina.

We started numbering our highways on a nationwide basis in 1925, adopting the now familiar U.S. shield sign.

POLL SHOWS MUSIC INTERESTS OF ZC STUDENTS

By: Janet Stewart

A recent poll of 40 students at Zion Chapel indicated a variety of interests in pop/rock music. The students were asked to reveal their favorite songs. They gave answers ranging from soft ballads to hard rock tunes. The following is a list of the students interviewed and their favorite song: 1) Mark Senn- "Photograph"; 2) Diane Parker- "Love Is So Bad"; 3) Lisa Dyess- "Thriller"; 4) Tim Kelley- "Pink Houses"; 5) Brenda Mobley- "Hold Back the Reins"; 6) Mark Grimes- "Tush"; 7) Denise Hussey- "Rockin' With the Night"; 8) Wendy Nelson- "Never Gonna Let You Go"; 9) Scotty Campbell- "Girls Just Wanna Have Fun"; 10) Janet Stewart- "Only You"; 11) David Fuller- "Sexual Healing"; 12) Michael Hill- "Controversy"; 13) Pam Nolin- "New Moon on Monday"; 14) Fran Chirico- "Making Love out of Nothing at All"; 15) Taylor Faircloth- "Love Is So Bad"; 16) Jimmy Dailey- "Hump"; 17) Sheila Simmons- "Bang Your Head"; 18) Stacy Carter- "Joanna"; 19) Kim Brunson- "Girls Just Wanna Have Fun"; 20) Crystie Mauldin- "Love Is So Bad"; 21) David Riney- "Time Will Reveal"; 22) Edwin Parker- "For Those About to Rock"; 23) Deddie Fuller- "I Still Can't Get Over Loving You"; 24) Debra Debie- "I Want a New Drug"; 25) Ginger Green- "Jump"; 26) Timmy Davis- "Physical"; 27) Craig and Rhonda- "All My Life"; 28) Sherri Flowers- "That's All"; 29) Chris Miley- "Joanna"; 30) Susie Nelson- "Making Love out of Nothing at All"; 31) Connie Flowers- "Thriller"; 32) Andrea Campbell- "P.Y.T."; 33) Sheila Rugg- "No Parking on the Dance Floor"; 34) Sherri Chancellor- "L.O.U."; 35) Jason Hussey- "Funtastic"; 36) Steve Rugg- "Freak-A-Zoid".

"Thriller" by Michael Jackson received the most votes for the favorite song - a total of four. "Joanna" by Kim Carnes, "Love Is So Bad" by Taylor Faircloth, and "That's All" by Chris Miley each received three votes. "Only You" by Paul McCartney each received three votes. "Girls Just Wanna Have Fun" came in at third place with two nominations each.

Michael Jackson was the artist with the largest number of songs in the survey. "Thriller," "P.Y.T.," and "Beat It" were all submitted.

PURINA SUPPORTS YOUTH IN AGRICULTURE

Purina Field 'N' Farm brand dog meal and participating Purina dealers are pleased to announce the establishment of \$50,000 in "Agri-Purina" scholarship funds to help deserving students entering college this fall to pursue agriculture-related courses.

The Ralston Purina Company says, "We are most excited about this opportunity to help deserving students and, at the same time, make a contribution to the future of American agriculture. We hope you will share our enthusiasm and that your students will be made aware of the program." Complete information and applications must be completed by March 31, and his counselor or principal and returned to the scholarship committee postmarked no later than midnight, March 30, 1984.

There will be twenty-five \$2,000 scholarships awarded to those deserving students who wish to pursue an agriculture-related major. All applicants will be notified of awards to be given. Finalists will be notified by April 15, 1984, and recipients by May 1, 1984.

Judging for the Agri-Purina Scholarship will require a preliminary and a final round. One hundred points can be scored during each round based on predetermined judging criteria. Criteria include high school activities outside activities, writing an essay, class rank, grade point average, rankings awarded by high school counselor, financial needs, and high school counselor's remarks about an individual. During the final round of the competition the essay counts for 40 percent of the total score. All the other criteria is reduced in point value.

BARBE QUE A SUCCESS

By: Deddie Fuller

The Zion Chapel Band Boosters sponsored a bar-be-que on February 11. The purpose of the bar-be-que was to raise money to pay on the air conditioner in the new band room.

They started serving at 11 o'clock in the morning and sold their final plate at 1 o'clock. Each plate consisted of bar-be-que, pork, rice, cabbage, slaw, bread and home baked cakes. Each plate cost \$3 and a total of 260 plates was sold.

BOOK FAIR SUCCESSFUL

A Book Fair was sponsored by the Zion Chapel High School and Elementary Libraries to raise money to purchase books and supplies for the two libraries. Grades Kindergarten through 12 were allowed to attend the fair.

Books available for sale ranged in topics from alphabet and Mother Goose books to Newberry Award books and cookbooks. High School students purchased fantasy, Garfield, and teenage romance books. Elementary favorites were activity books and animal stories.

In addition to a wide variety of books, book marks, posters, records, kits and book covers were for sale. Elementary students especially liked the book covers and posters while the high school students preferred the book marks. Other activities conducted in connection with the Book Fair included contests between grades Kindergarten through third and fourth through sixth for the highest sales. First and sixth grades won in their respective divisions. Each grade will receive a group of books valued at \$15 for their classroom.

When she asked about the benefits of the Book Fair, Mrs. Lowery said, "Many students bought and read books that they otherwise wouldn't check out from the library."

The first television commercial appeared on July 1, 1941. It cost \$9.

HUNTER SAFETY COURSE IS TAUGHT IN AGRI-BUSINESS

By: Janet Stewart

Agri-business students learned the rules and practices of safe hunting when they studied a hunter safety course last week. The classes were under the supervision of Mr. Harold Stewart, agri-business instructor and FFA advisor.

Students taking the course studied a hunter safety book and were required to make at least 70 on a 100 question quiz. Twenty-eight students were enrolled in the course, which lasted about three weeks. The students were in the ninth and tenth grades and in their first year of agri-business.

Those students passing the course will have a card on file in the state conservation office showing that they have completed and passed the course. If a bill passes in the legislature, the hunter safety course will be a requirement for obtaining hunting licenses. It will probably apply to people who have not previously bought licenses.

The Game and Fish Division of the State Department of Conservation issues the test to the junior safety classes. The course was taught around the state, but probably not in all ag departments. Some were taught in out of school classes. Some states already required the course for hunter licensing.

GOLD KEY FRATERNITY

By: David McCarroll

The 4-H Gold Key Fraternity held a meeting February 6 in the kitchen of the New Brockton Extension Office.

Vice-president Dawn Smith called the meeting to order and led the members in the 4-H pledge, and in the pledge to the flag. Secretary Gina Hilton called the roll. Members from Zion Chapel, Elba, New Brockton, New Hope, Kinston, and Enterprise, were at the meeting.

The meeting was then turned over to Angela Hughes and Jack Tatam, sponsors. They discussed the upcoming Bee essay contest, woodworking contest, tractor driving contest, and car driving contest. Next month's calf show was also discussed.

Coupon books that cost \$4 each, were passed out to the members for them to sell to raise money for this summer's trip to Washington. Plans for upcoming "Womanless Wedding" were discussed.

New Brockton's Sandra Walker then gave a slide presentation and discussion of her trip to Chicago, where she was a national winner.

TOO MANY COOKS MAKE TOO MUCH FOOD

The world might be a better place to live if we could all live by the uncomplicated philosophy of young children. Recently Mr. Randall Myers asked his fourth and fifth graders to give him some of their philosophies. He handed them a paper that listed the beginnings of some "old sayings" and asked them to complete the statements. Here are some of the results.

- *You can lead a horse to water but he won't listen.
- *You can lead a horse to water but he won't drink.
- *You can lead a horse to water but it's hard to get him in.
- *Two heads are a couple.
- *A bird in the hand is worth more than you think.
- *It's better to have loved and lost than to have lost completely.
- *You can't teach an old dog 'cause he won't listen.
- *Do unto others as they would have done unto you.
- *It's better to have loved and lost than hate and found.
- *The bigger they are the meaner they are.
- *A friend in need is a helpless friend.
- *The bigger they are the more you have to feed them.
- *You can lead a horse to water but don't drown yourself.
- *Too many cooks make too much food.
- *He who laughs last is the one who did it.
- *If at first you don't succeed you can later!
- *Early to bed and late to school.
- *The only way to have a friend is to be human.
- *A friend in need is a friend that needs you.
- *He who laughs last is a slowpoke.

On February 11, 1984, residents were entertained by a choir group from the First Baptist Church, under the direction of Mr. Kevin Lanier. All residents noted how much they enjoyed the singing and talents of this group of young people.

Monday, February 13, 1984 female residents were given facials, compliments of Mrs. Nell Kelley, Mary Kay Cosmetic Representative. During the day, Mrs. Kelley completed 12 facials and created 12 happy, beautiful ladies. Each lady was given a number for a prize drawing later in the day. Number 11 and Mrs. Bertie Byrd was the winner.

Valentine's Day found florists very busy delivering flowers-but also very busy were members of the Elba Church of Christ. At 9:30 a.m., they arrived to a huge gathering of residents awaiting this event. Prior to their arrival, residents were treated with a Valentine card along with their breakfast tray, also compliments of this group. A Valentine King and Queen were selected by name drawing. Delicious refreshments and a time of visiting and fellowship followed. This is a yearly event by the church.

Rodeo Set For Week Of March

14-18 At Garrett Coliseum

Montgomery's Garrett Coliseum will be the site of the 27th annual Southeastern Livestock & Alabama Cattlemen's Rodeo and Livestock Week March 14-18. The week-long series of shows and competitions, featuring the World Championship Rodeo, is touted as Alabama's biggest livestock event.

More than 50,000 people are expected to attend the exposition, according to Ham Wilson, Alabama Cattlemen's Association executive vice-president.

The championship rodeo attracts professional cowboys from all over the United States, vying for over \$35,000 in cash prizes. They will compete in six performances on Wednesday, Thursday, Friday and Saturday nights at 8 p.m. and at 2 p.m. matinees Saturday and Sunday.

Other featured events include registered quarter horse shows, the State 4-H FFA Steer Show, state Rodeo Queen contest, Alabama

Charolais Association show, Alabama Polled Hereford show and sale, and a formal meeting of the Alabama Junior Cattlemen's Association.

Entertainment for the rodeo and livestock week will be provided by Grand Ole Opry star Jim Ed Brown and Company. The country/western show will be featured during rodeo performances.

The annual event is sponsored by the Alabama Cattlemen's Association and Southeastern Livestock Exposition. For more information contact Wilson at P.O. Box 1746, Montgomery 36167, 205/265-1807.

Making the tough decisions... The Hollings Difference

Senator Fritz Hollings is the only Presidential candidate with a plan to end soaring budget deficits. Fritz Hollings has the track record in providing responsible government at all levels. He has fought consistently for strong, balanced national security. He has fought tenaciously to protect our nation's natural resources. He has been an insistent voice on the side of investing in our nation's human resources through nutrition and education.

And no candidate speaks so directly, candidly and with as much common sense as Senator Fritz Hollings.

SPORTS

VIEWS FROM

THE PRESSBOX

BY RICKY MULARZ, EDITOR

It's tournament time for high school basketball teams and that means the pressure is on! No doubt about it, this is my favorite time of the year.

TIGERS END REGULAR SEASON AT 10-9

Coach Hank Kennedy's Elba High Tigers closed out the regular season last week with a record of 10 wins and 9 losses, nothing to get excited about, but not too bad a season. Of the 9 losses, three were by a total of 8 points and two were to 4A schools; so it could have been quite a bit better.

The Tigers started three seniors (all of which started three years), and they'll be hard to replace, but the team's leading scorers were both sophomores, and a trio of sophomores also was on the varsity roster. Elba will be young next season; however, it should be exciting!

ZION CHAPEL GRABS COUNTY SPOTLIGHT

The Zion Chapel Rebels (12-8) posted impressive wins over Kinston and New Brocton last week to clinch both the County and SEAC crown. The Rebels, who won 12 of their 15 games, really closed out the season with a bang and got a lot of peoples' attention.

New Brocton (19-6) dropped its final to Zion Chapel, but had two big wins and played well all week. The Gamecocks had two starters kicked off in the week and their absence was evident, but Brocton is still a good team and my pick to win the Area.

Kinston (13-12) got blown away in its final two games and look anything but ready going into the tourney! The Bulldogs appeared to be peaking, but know they must regroup in a hurry or else hang up their sneakers.

OLYMPICS WERE NOT U.S. SHOWCASE

I didn't watch a lot of the second week of the Olympics, and looking at the medal count, I didn't miss that much. The good old U.S.A. did win four golds and four silvers, but that didn't exactly dominate the field. Maybe when the summer olympics rolls around we'll show the world we're still #1!

Elba Umpires Association To Meet

Sunday To Take ASA Test

The Elba Umpires Association will meet Sunday, February 26, at 2:00 p.m. at the T&I room at the Elba Vocational School. Purpose of the meeting will be to take the A.S.A. National Umpire's test, at test that all members of the local umpires association must take prior to becoming sanctioned.

A \$15 registration fee will be charged to pay for the materials.

All persons taking the test will receive a rule book, umpire's manual, umpire's patch and other related material.

The T&I room faces the Elba Exchange Bank parking lot and will be clearly marked.

For more information call Ricky Mularz at 897-2823 (office) or 897-5977 (home).

Tigers Blast Luverne 66-51

The Elba Tigers pulled out to a 14-point halftime lead and coasted to an easy 66-51 win over the Luverne Tigers, last Friday night in Elba.

The win gave Elba a final regular season record of 10-9, 6-2 in the South Alabama Conference.

The two long-time rivals battled on even terms early in the game, with Elba pulling away late to grab a 14-9 lead. Elba came out running in the second stanza and threatened to turn the game into a rout by pulling out to a 40-28 halftime advantage!

Luverne wasn't about to roll over and play dead, however, and came roaring back in the third quarter to close within 50-42. Elba regained control in the final stanza and pulled away to post the impressive 66-51 win.

Kevin Goo:by poured in 20 points to lead Elba, while Dewayne Hooks added 19 and Mick Phillips hit 15. Willis led Luverne with 18.

Troy Stops Elba 66-45

The Elba Tigers and Troy Trojans met last Tuesday night for the South Alabama Conference regular season championship and the highly-favored Trojans claimed the crown with a convincing 66-45 win.

The win upped Troy's record to 25-4, while the loss left Elba at 9-8. The two clubs battled on even terms much of the opening stanza with Troy pulling ahead 17-13 late in the quarter. The Trojans got "red hot" in the second stanza, however, and took command by pulling out to a 41-26 halftime lead. Troy put the game out of reach in the third quarter as it went on top 56-32, and the Trojans held on for the win.

Tyrone White scored 20 points to lead Troy, while Kevin Goo:by and Mick Phillips hit 18 and 15 to pace the Tigers.

Zion Chapel Closes Out Season With A Bang!

Rebels Gun Down New Brocton 65-55

The Zion Chapel Rebels ended the season with a bang last Friday night by posting a 65-55 upset win over the New Brocton Gamecocks, in New Brocton.

The win upped Zion Chapel's record to 12-8 and gave the Rebels the S.E.A.C. and Coffee County School System basketball championships. New Brocton fell to 19-6 with the loss.

The two county rivals swapped buckets early in the game, but the Gamecocks took control late and pulled out to a 14-11 lead, despite the absence of Laymon Hornsby, who was forced to the bench with three fouls. Stuffle Pruitt sparked the Gamecocks to a 21-17 lead with 4:10 left in the half as Brocton remained in command; however, Zion Chapel rallied in the closing minutes of the stanza and pulled out to a 31-23 lead on a dunk by Terry Haynes.

The Rebels led went to 34-27 in the third quarter, but the Gamecocks came storming back and cut the deficit to 36-35. Zion Chapel regained control to grab a 45-39 lead going into the final stanza and hit two quick buckets to stretch its lead to 49-39. New Brocton got back to within 49-43 midway thru the stanza, only to see the Rebs run-off 7

straight points to take a commanding 56-43 advantage. The Gamecocks made a final run and cut the Rebels' lead to 5-points with 3:03 left in the game, but Zion Chapel held on and claimed the 65-55 win.

Terry Haynes scored 19 points to lead Zion Chapel, while Jerome Nelson led New Brocton with 16.

Zion Chapel Buries Kinston 72-49

The Zion Chapel Rebels pulled out to an early lead, then exploded for 21 points in the third quarter as they buried the Kinston Bulldogs 72-49, last week in the Bulldog gym.

The win upped Zion Chapel's record to 11-8, while Kinston fell to 13-11 with the loss.

The Rebels opened the game in a sticky "man-to-man" defense and held Kinston scoreless for over five minutes as they opened up an 8-0 lead. The Bulldogs took advantage of numerous missed free-throws to sneak back within 16-10 at the end of the first quarter and then got back in the game by pulling within 19-17 with 4:51 left in the half.

Zion Chapel stretched its lead late in the stanza, and at the half went in with a 30-24 advantage.

Zion Chapel's Rebels came out running in the third quarter and led 42-24 on two quick buckets by Terry Haynes, then went on a tear and outscored Kinston 15-6 to grab a stunning 49-30 lead. The Rebels' lead went to 52-32 early in the final stanza as the game began to turn into a rout and Zion Chapel kept pouring it on as the Rebs ran off and hid!

Terry Haynes scored 19 points and pulled down 21 rebounds to spark Zion Chapel, while Frankie Edwards scored 19 and Thon 2, Clark 2, Helms 6, Folmar 7.

Mrs. Coleman 4-H

The 4th grade 4-H Club met February 13, 1984, in Mrs. Coleman's room. A program on manners was given by Mrs. Hughes. Connie Nunn presided over the meeting. Lori Marsh gave the devotional and Mrs. Hughes served as program chairman. Announcements concerning an egg program and 4-H poster art contest and announcements were made by president Connie Nunn and Mrs. Hughes.

Mrs. Dubose 4-H

The 4-H Club of Mrs. Dubose met February 13, 1984. The guest speaker Mr. Tatum, talked to us about ABC's in woodwork, and about the three main types of bugs that eat wood. We also discussed about how to make plaques and clocks to hang on the wall. 4-H record books and when they should be turned in were discussed also. Before the meeting was adjourned Mr. Tatum discussed two contests coming up. Reporter: Derrick Deal

Mrs. English 4-H

Each month in 4-H, an award is given to the elementary club and the junior high club scoring highest on the point system. They then become a part of the 4-H banner. For January the clubs selected were the 6th and 7th grade group at Goodman with Mrs. Patsy teacher leader, and the Elba 8th grade club with Mrs. Linda Berry the teacher leader.

Mrs. Wilson's 4-H

Our February meeting was a success. It began with the songs "Star Spangled Banner" and "Dixie," led by Gina Stokes and Kim Johnson. Progress reports were given, and then Amy Osburn read the devotional. The program, given by Mrs. Hughes, was on manners. We discussed some good and bad manners and ways to improve our manners. There are two upcoming 4-H contests: a poster contest and a craft contest. The business was concluded so we adjourned. MELISSA PRICEARD, Reporter

REFREEZING FOODS

Oftentimes I'm asked what foods can be refrozen safely. There are many. However, quality may be altered. Breads and cakes can be refrozen. Although the texture may be affected, pies (except for cream ones) can be refrozen, but some weeping and breaking of the filling may occur.

You can refreeze thawed fruits but they may lose quality. Vegetables that still have ice crystals can be refrozen, but use them as soon as possible. If completely thawed, you can refreeze plain vegetables if they have been kept at room temperature too long.

BELT WORKSHOP

I'm in the process of constructing belts. After I've made six belts, I'm going to have a belt workshop. You'll enjoy making belts for your spring and summer outfits. Watch the news column for date and place.

As you know, ready-to-wear fashion belts are expensive but you can make belts to mix and match with lots of outfits.

EGGS

One of the egg's best nutritional selling points is its large amount of protein. In fact, the egg is classified as one of the major sources of protein in the diet. Eggs also contain all of the essential vitamins and minerals needed by the body. With the exception of Vitamin C, this versatile food is also important to weight watchers because one egg contains only 80 calories.

As far as economy is concerned, eggs are among the best buys when their price per pound is compared with other foods. For instance, if large eggs are a \$1 a dozen, that would only amount to 67 cents a pound. Where else can so much nutrition be found for so little money?

CLEANING THE MINI BLINDS

Anyone who has the mini blinds knows that they are hard to clean. There is a product on the market now that will remove dust and dirt from these blinds. The product has seven cleaning rollers which are released by pulling a trigger. The rollers are inserted between each blind and moved back and forth. The trigger is squeezed to remove from the blind and the rollers can be washed in soap and water.

News From Elba High School

Yearbooks Are At The Printers

The Elba High School Elba staff has completed their 1984 yearbooks and they have been sent to the printers for publication. Mrs. Helen McCollough and her staff have worked extremely hard to make the deadline and to make this yearbook the best ever.

Tiger Tracks would like to recognize Cathynette Carpenter, Editor; Keith Murdoch, Asst. Editor and their entire staff for their great success in finishing the yearbook. Pictured are several members of the staff.

Congratulations, group - we are anticipating their arrival.

Are You Compatible?

On Friday, February 10, Elba Junior High and Senior High School students could be heard saying remarks like your name is on my list, you're kidding - I'm on his list! Just can't believe it - we just don't get along.

The Elba High School Student Council government sponsored a Delta-4 computer match. Four hundred and nineteen students in grades 7-12 participated in the program to determine the top ten students of the opposite sex who were most compatible for them. The names of the students received were listed in the order they were selected with #1 being the best match and #10 being the tenth best match. If your name appeared on someone's list, it does not mean that person's name will appear on your list.

The computer list was sold for \$1.50. Everyone did not take the list seriously, but everyone did enjoy conversing and joking about each other's list.

Now guys, ask those girls who were on your list out on a date. After all, you two should get along.

Miss Elba Contest
Coming Up

The annual Miss Elba will be held Thursday evening, March 8, at seven o'clock, in the high school auditorium. The event is being sponsored by the Elba Lions Club, and the Lions have plans for a big event.

The junior girl chosen to reign as Miss Elba for 1984-85 will represent the city at the Peanut Festival in Dothan, to be held in October. Last year's representative from Elba, Miss Toni Hudson, was elected 1983 Peanut Festival Queen. Toni will be helping stage this year's pageant and will be featured on the program.

Spring Quarter Begins
March 5th At MacArthur

Registration for spring quarter is now underway at MacArthur State Technical College. The quarter will begin Monday, March 5th.

Anyone planning to enroll spring quarter should pre-register now to avoid the possibility of being put on a waiting list.

The administrative offices are open from 8:00 a.m. until 4 p.m. Monday through Friday to assist with registration. For more information, you are asked to call the college at 493-3573.

Seniors Of The Week

This week we salute three more super athletes as the Seniors of the Week. They are Tom Hooks, Jacquelyn Brunson and Ronald Hill.

Tom Hooks is the 18 year old son of Mr. and Mrs. James Hooks Jr. and he has always attended the Elba City Schools. His favorite class is Economics and his favorite teacher is Mrs. Tucker. He enjoys playing basketball, softball, and enjoys skating. Tom states that Elba High could use some more academic courses taught at EHS. He adds that attending his junior prom was the most memorable time in his school life and his senior year as the most enjoyable. After high school, Tom plans to attend college.

Jacquelyn Brunson is the 18 year old daughter of Mr. and Mrs. Richard Brunson and she too has always attended the Elba City Schools. She is a member of the Future Homemakers of America and she works part time at Kleiner's Inc. in Elba. Her favorite teacher is Mr. King and her favorite class is Business Law. She lists being with her friends as her favorite pastime. Jackie has shown her interest in sports by participating last year in Girls basketball and softball. She received the Miss Hustle award in both sports. Her most memorable time in her school life was being a senior and the most enjoyable was the junior prom. Upon graduation, Jackie plans to attend a private State Junior College.

Ronald Hill is the son of Mr. and Mrs. A.C. Hill, and he is 18 years old and like most of his classmates he has always attended the Elba City Schools. His favorite class is Economics and his favorite teacher is Mrs. Tucker. His pastimes include basketball, softball and dancing. Ronald states that he likes EHS but wishes the school would have longer lunch periods. He lists as the most memorable time in his school life attending his junior prom and the most enjoyable as his senior year. After high school, Ronald plans to get a welding job in the Dallas-Fort Worth area in Texas. Ronald shows his love for his senior class in a poem that he wrote. His poem can be found on the news page.

Seniors Of 84

The seniors of 84 have been like the winter snow. Once they come, they have to go. So, Senior of 84. Good luck in the near future. Be all you can be. In whatever you do.

Hydro Plant Contract Debated

The Elba City Council met Monday night and in spite of lengthy discussions, took the two major items under advisement to be decided at a later date. A collection agency offer was deferred until a decision is made by the Water and Electric Board while a revision in the contract concerning the hydro plant was postponed until the council can get additional information.

Mrs. Janice Bell offered the council a plan for collection of bad debts owed to the municipality. Mayor Bob English reported that the firm had been checked through the Alabama Consumer Protection Agency and they reported the firm had a good record. However, the council deferred any action until the Water and Electric Board had considered the matter. Mrs. Bell was

ordered to pay restitution payments to the injured victim (medical bills, hospital bills, drug bills, etc.), not to drive unless authorized by law and not to drink and drive again. In the order, it was stated Hudson may be placed on the county's work release program, with 25 percent of his weekly income to be used by the Sheriff to pay the cost of his incarceration in jail. The remainder of the income shall be used to pay restitution to the victim, and thereafter to pay fines and court costs.

Elba Man Fined In Hit & Run

An Elba man involved in a hit-and-run accident on January 30, 1984, pleaded guilty in District Court last week and received a jail term and fines totaling over \$1,000. Charles Franklin Hudson, of Elba, was involved in the hit-and-run accident on Monday night, January 30, on the Old River Road, when the car he was driving left the roadway and struck a parked car in front of the scout hut, at the City Pool. A youngster getting in the parked car was thrown from the car and received facial & head lacerations.

Hudson left the scene without stopping, but was arrested by Elba police a short time later and charged with driving under the influence and leaving the scene of an accident. On the "driving under the influence" charge, Hudson received a 292 day, 180 days in jail and a 3-year suspension of his driver's license. On the charge of "leaving the scene," Hudson received a sentence of one year in jail (180 days to run concurrent with the other sentence and remaining days suspended), a fine of \$750 and was

ordered to pay restitution payments to the injured victim (medical bills, hospital bills, drug bills, etc.), not to drive unless authorized by law and not to drink and drive again. In the order, it was stated Hudson may be placed on the county's work release program, with 25 percent of his weekly income to be used by the Sheriff to pay the cost of his incarceration in jail. The remainder of the income shall be used to pay restitution to the victim, and thereafter to pay fines and court costs.

County Commission Votes To
Replace Three Rural Bridges

The Coffee County Commission met in regular session on Monday, February 27, at the courthouse in Elba and voted to use Federal funds to replace 3 rural bridges.

County Engineer Frank Charlton reported the county had \$100,000 in Federal funds for use in bridge construction and passed out a list of bridges that met Federal requirements. The commission which will match \$33,000 in local funds with the \$100,000 Federal money examined the list and voted 4-2 to replace the three bridges recommended by the engineer.

The bridges to be replaced include a 34-foot bridge on County Road 24, a 34-foot wooden bridge on County Road 107 and a 34-foot wooden bridge on County Road 77. Comm. Eugene Bradley and Comm. Marvin Bowden voted against the project because of the location of the bridges.

"It is not fair," declared Bowden, "because none of the bridges are in work area 4. We've done bridge work in other areas in recent years, but haven't even had a board laid in work area 4 in three years."

The bi-monthly meeting began at 9:00 a.m., with all members present, and the first visitor was David Taylor, who complained about a dirt road on which he lives. The road, located near the Victoria Community, went 100 yards without being worked, according to Taylor, while other roads got constant grading.

Comm. Chairman, Marion Brunson told Taylor he didn't know about the work schedules, but promised, "We will try to do better." The county Highway Dept. is being kept busy, but apparently the constant work has taken its toll on equipment. The commission was told Monday a dirt road needed approximately \$4,000 in repairs, while a loan needed repairs estimated at \$5,000 and a bulldozer needed repairs expected to cost \$8-11,000.

The commission told the engineer to contact a local repair shop about the cost of repairing the dirt and loam, and voted to get bids on repairing the bulldozer.

Mike Holmes, of the Southeast Alabama Regional Planning and Development Commission, told the commission it was time to apply for HUD block grants. He stated the county would receive approximately \$29 million in funds, which will be divided into several categories. The 60 counties eligible to apply compete for \$3 million, with only 7-10 counties to receive grants.

Holmes reported the grants most likely to be approved would deal with water system improvement and road improvements. The commission discussed the paving project at the Shiloh

COUNTY COMMISSIONERS Eugene Bradley, left, and Gilmer Grant listen as David Taylor complains about the poor condition of a dirt road. The commission told Taylor the condition of the road would be improved.

The city's financial standing appears to be in good shape according to information given the council by English. He noted that there is \$130,000 in interest-bearing accounts, the various departments are spending less than budgeted and the income is higher than anticipated.

Councilman Charles Kennett was not present at the meeting.

County Farms
Declared
Disaster Area

Congressman Bill Dickinson has announced that President Reagan has declared Coffee County an agricultural disaster area because of crop losses caused by drought and high temperatures during the 1983 growing season.

Disaster status is granted to counties in which crop losses affect at least 30 percent of the average harvest. This entitles farmers who cannot obtain conventional loans to borrow up to \$100,000 from Farmers Home Administration at five percent interest and up to another \$400,000 at eight percent interest.

Farmers who are eligible for commercial loans but find that no such funds are available for loan may borrow from FmHA at an interest rate of 13.75 percent. Local FmHA offices have been instructed to be prepared to process any needed disaster assistance.

Commissioner McDonald reviewed other food products that have been recalled by the Department of Agriculture and Industries. On February 22, Code 51383A of Martha White Bran Muffin Mix was voluntarily recalled by the Martha White Company for containing an average of 725 parts per billion of EDB, exceeding the safety level of 150 parts per billion.

On February 14, General Mills voluntarily recalled Code E305Y of Betty Crocker Super Moist White Cake Mix, also from the intermediate category, for containing 811 parts per billion.

County P&S Board To
Oppose Legislative Bill

The Coffee County Board of Pensions and Security met in regular session on Thursday, February 23, at the Pensions and Security building in Elba and voted unanimously to go on record as being opposed to a Legislative Bill that would change the make-up of the local board.

The Bill, being considered in the current legislative session, would provide for the election of one member of each county board by the employees of the local county Dept. of Pensions and Security.

Under the proposed plan, each board would consist of seven members, with six members to be chosen by the County Commission from the citizenship of the county. Two of the members shall be women, while the seventh member would be filled by an employee elected by the other employees. The employee would join the board to fill any vacancy.

"I will oppose the bill," said Coffee County P&S Director Ronald Smith, "because it will take away an appointment from the county commission. The board is for local citizens."

having input," said Donaldson, "but I do oppose employees voting. It's like getting the cat to guard the canary!"

The other board members also agreed and after voting instructed the chairman to write to the local legislators.

In other action at the quarterly meeting, Director Ronald Smith reported the department was under staffed at the present time and had been unable to implement the projects discussed at the previous meeting. In an attempt to revive the projects, it was decided the County Humanitarian Services Committee would be asked for support.

In the Director's report, Smith reported, "We have had a lot of activity since our last meeting." Smith reported that Christmas projects were very successful due to excellent community response. He also reported:
